IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

QUAIL CREEK MUD

PWS 2350004

We are required to report the results of monitoring of your drinking water for specific contaminants on a regular basis by **JAN 2010**. Results of regular monitoring for **JAN 2010**, we did not report the results of monitoring for total coliform samples.

Our system failed to notify the state drinking water program as required by **JAN 2010**.

Although public health was not impacted, as our customers, you have a right to know what happened and what we did to correct the situation.

What should I do?

There is nothing you need to do at this time. You do not need to boil your water or take other actions.

What is being done?

We collected several distribution samples on February 25, 2010 and were no longer in violation.
