Dear Resident,

This letter is to inform you that under the Quail Creek Municipal Utility District's Service Policy:

*Section E No. 19:*

***Prohibition of Multiple Connections: To A Single Tap.*** *No more than one (1) residential, commercial, or industrial service connection is allowed per meter. An unauthorized sub metering or diversion of service shall be considered a multiple connection and subject to disconnection of service. If the District has sufficient reason to believe a multiple connection exists, the District shall discontinue service under the disconnection without notice provisions of this service policy.*

If you believe you are not in compliance with this policy, please call the office for more information.

Best Regards,

Richard Reyes  
Board President
