

Quail Creek Neighborhood Clean-Up

The Quail Creek Homeowners' Association is excited to announce a Neighborhood Clean-up on **Saturday, October 12, 2024**. There will be dumpsters available in the 500 block of Chukar (by ball fields) **from 8:00 am-5:00 pm** to dispose unwanted items. **For residents needing help, there will be volunteers (hopefully) available from 8:00 am-12:00.**

Read info below thoroughly for **important details!**

We need volunteers to help make the clean-up a success, and all ages 12 yrs. and older are encouraged to sign up! There are benefits to helping at this event--you can make new friends, visit with "old" friends, and enjoy free yummy food and drinks, all while lending a hand to beautify our neighborhood!! How can you pass up this opportunity??!!

Volunteer opportunities:

Lifting and dumping items into dumpsters - need several people (the more the better!)

Separating scrap metal from regular debris - proceeds from metal taken to recycle will be put in the park fund.

Truck & Trailer- need several-these volunteers will drive around to assist with gathering/pickup of debris and bring to the dumpsters. Anyone who provides a truck and trailer will be given a \$25 gas gift card to help with gasoline expense!

To ensure we have enough people for this event to be successful, as well as to have enough equipment, refreshments, etc., residents are encouraged to **register to volunteer in advance by calling the QCMUD at 361-572-0810**. Volunteers ages 12 and up are welcome; **children must be accompanied by an adult**. Great opportunity for students needing service hours!

We realize things can change and you may not be able to sign up now or have to cancel. Walk-up volunteers are always welcome!!

On clean-up day (Oct. 12), residents and volunteers will be treated to breakfast sausage kolaches, donuts, coffee and juice at the check in spot by the ball fields on Chukar beginning at **7:30 am**.

8:00 am will split into teams and begin work. Safety vests and gloves will be provided. Water and Gatorade will be available for volunteers throughout the day.

After the cleanup (12:00 pm) hamburgers, chips & drink will be provided for all volunteers!!
